Excerpt from the Terms & Conditions of Malz++Kassner GmbH:

Execution of contract

Offers made by us shall be non-binding, while catalogs, leaflets, advertisements, price lists, and the Internet contain only approximate values subject to change, which shall become binding after we have confirmed them in writing in a contract or in business correspondence. Orders shall be legally binding only upon our express written confirmation or delivery of the goods.

Orders placed via the Internet are preliminary when you receive confirmation of your email submitted at the end of the ordering process, and shall become binding following our confirmation of the order or upon delivery of the goods. Your order shall not be binding if you do not receive an order confirmation or the goods within two (2) weeks thereafter. We shall have the right to exercise our discretion in rejecting any orders placed.

Supplies and shipment

Unless stated otherwise in our offer, delivery will usually take place within 7 days. You shall be obligated to accept and verify the goods received, and shall also accept partial shipments and services deemed reasonable, without your prior consent. We shall exercise our discretion in selecting the most reasonable method of shipment, unless otherwise requested by you.

You may rescind the contract for non-performance, only after having first granted us a grace period of at least four (4) weeks via registered letter, unless we had previously confirmed a binding delivery schedule in writing. We shall not be held liable for the duration of delays arising from events beyond our reasonable control, such as industrial actions, traffic jams, and force majeure, under which circumstances we shall have the right to withdraw from the unfinished portions of the contract, without incurring any liability for attendant damage claims.

Right of return

If you are based within the European Union, you shall have the right to return standard software and hardware within two (2) weeks of delivery, no questions asked, unless you act in a commercial capacity by placing an order through a firm or as an independent contractor. In order to comply with this return period, which shall commence following receipt of the goods and detailed written instructions on such rights, you are required to simply ship the goods on time to the following address: Malz++Kassner GmbH, Leopoldstraße 7a, 38100 Braunschweig, Germany. The return of goods shall be at our risk, and your shipping costs will be reimbursed. Software delivered by post may be returned only if the seal on the package and CD case is intact. Software downloaded fully online or electronically is not returnable.

Settlement of returns

Following proper return of the goods, each party shall have the right to reimbursement for services rendered or benefits of use. If the goods have deteriorated, the parties may demand an equivalent value, unless such deterioration occurs due to inspection of the goods, similar to that conducted by a customer in a store. You may avoid liability for equivalent value replacement by not using the goods and refraining from all actions that may impact their value.

Data storage and protection

We shall store and process information on you electronically, to the extent necessary for conducting business and as permissible under the Federal and Communications Data Protection Acts (§26 of BDSG & TMG). You shall have the right to submit a request by post or fax to view, correct, block, or delete your personal information in our records, at no cost to you. We shall not pass on any of your personal information, including your home and email addresses, to third parties without your express, prior revocable consent. However, we may pass on such information to service providers that need the information to process your order, for instance, to enable the freight company to deliver the goods or the bank to collect payment, whereby we shall disclose only the minimum possible amount of information.

Governing law and jurisdiction

All orders and supplies shall be governed by the Laws of Germany. In the event you are a general merchant or legal entity, jurisdiction shall be in Braunschweig, for all disputes arising from or in connection with this agreement, including proceedings involving bills of exchange or checks.
